A Time Bank is a community of people who support each other. When you spend an hour to do something for an individual or group, you earn a Time Dollar. Then you can use that Time Dollar to buy an hour of a neighbor's time or engage in a group activity offered by a neighbor.

Core Values

1. **Assets:** We are all assets. Every Human has something to contribute.
2. **Redefining Work:** Some work is beyond price.
3. **Reciprocity:** How can we help each other build a world we both will live in?
4. **Social Networks:** We need each other. We are interdependent.
5. **Respect:** The voices of all must be heard & heeded so as to promote social justices & compel accountability.
