

More Money = More Services: Say YES to a Tobacco Tax Increase!

Did you know that Georgia's tobacco tax is one of the lowest in the country? Georgia can raise \$400 million simply by bringing our tobacco tax up to at least \$1.00, which is still below the national average. During this time of harsh budget cuts, we need our representatives to find new ways of bringing in money to Georgia. That is why we are saying "YES" to a Tobacco Tax Increase!

More Money = More Services
